4 **Amendment**

5 Remove lines 121-135 and insert:

6 (4) If an on-line dating service provider conducts criminal  
7 background screenings, the provider shall disclose that  
8 background screenings of applicants are not perfect and that  
9 there is no way to guarantee that the name provided by a person  
10 to be run through a background screening is in fact the person's  
11 true identity. Additionally, not all criminal records are  
12 publicly available. Therefore the screenings may not identify  
13 every member who has a felony or sexual offense conviction and  
14 users should participate in the service at their own risk and  
15 use caution when communicating with other members.  
16 Additionally, the provider shall disclose whether it has a  
17 policy allowing a member who has been identified as having a  
18 felony or sexual offense conviction to have access to its  
19 service to communicate with any Florida member.

Council/Committee hearing bill: **Agriculture**

Representatives **Flores and Domino** offered the following:

**Amendment (with title amendment)**

Remove everything after the enacting clause and insert:  
Section 1. Section 526.143, Florida Statutes, is created to read:

526.143 Alternate means of power generation for motor fuel dispensing facilities.--

(1) No later than December 31, 2006, each motor fuel terminal facility, as defined in s. 526.303(16), and wholesaler, as defined in s. 526.303(17), that sells motor fuel in this state must be capable of operating its distribution loading racks using an alternate power source for a minimum of 72 hours. Pending a postdisaster examination of the equipment by the operator to determine any extenuating damage that would render it inoperable or unsafe to use, the facility must have such alternate power source available for operation no later than 36 hours after a major disaster, as defined in s. 252.34. Initial inspection for proper installation and operation shall be completed by a local building inspector, and verification of the inspection must be submitted to the local county emergency

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1

23 management agency. Inspectors from the Department of Agriculture  
24 and Consumer Services shall perform a periodic visual inspection  
25 of the alternate power source to ensure that the emergency  
26 auxiliary electrical equipment is installed. Each facility shall  
27 perform annual inspections to ensure that the emergency  
28 auxiliary electrical generators are in good working order and  
29 show proof of those inspections in order to be deemed in  
30 compliance with and to participate in the fuel supplier program.

31 (2) Each newly constructed or substantially renovated  
32 motor fuel retail outlet, as defined in s. 526.303(14), for  
33 which a certificate of occupancy is issued on or after July 1,  
34 2006, must be prewired with an appropriate transfer switch and  
35 be capable of operating all fuel pumps, dispensing equipment,  
36 life-safety systems, and payment acceptance equipment using an  
37 alternate power source. As used in this subsection, the term  
38 "substantially renovated" means a renovation that results in an  
39 increase of greater than 50 percent in the assessed value of the  
40 motor fuel retail outlet. Local building inspectors shall  
41 include an equipment and operations check for compliance with  
42 this subsection in the normal inspection process before issuing  
43 a certificate of occupancy. A copy of the certificate of  
44 occupancy shall be provided to the county emergency management  
45 agency upon issuance of such certificate. Each facility shall  
46 perform periodic inspections to ensure that the installed  
47 transfer switch and emergency auxiliary electrical generators  
48 are in good working order and provide proof of those inspections  
49 to the county emergency management agency in order to be in  
50 compliance with and to participate in the Florida Disaster Motor  
51 Fuel Supplier Program under s. 526.144.

52 (3)(a) No later than December 31, 2006, each motor fuel  
53 retail outlet described in subparagraph 1. or subparagraph 2.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1

54 must be prewired with an appropriate transfer switch and be  
55 capable of operating all fuel pumps, dispensing equipment, life-  
56 safety systems, and payment-acceptance equipment using an  
57 alternate power source:

58 1. A motor fuel retail outlet which has 16 or more fueling  
59 positions, or

60 2. The owner of any motor fuel retail outlet that had a  
61 minimum monthly average motor fuel sales volume of 125,000  
62 gallons for any 6-month period during calendar year 2005.

63 (b) Each corporation that owns or operates more than 10  
64 motor fuel retail outlets within a single county shall maintain  
65 at least one portable generator, for every 10 retail outlets,  
66 that is capable of providing an alternate generated power source  
67 as required under paragraph (2).

68 (c) Installation of the wiring and transfer switch shall be  
69 performed by a certified electrical contractor. Each retail  
70 outlet subject to this subsection must keep a copy of the  
71 documentation of such installation on site or at its corporate  
72 headquarters. In addition, each retail outlet must keep a  
73 written record that confirms the periodic testing and ensured  
74 operational capacity of the equipment. The required documents  
75 must be made available upon request to the Division of Emergency  
76 Management and the county emergency management agency.

77 (4)(a) Subsections (2) and (3) apply to any self-service,  
78 full-service, or combination self-service and full-service motor  
79 fuel outlet regardless of whether the business is located on the  
80 grounds of, or is owned by, another retail business  
81 establishment that does not engage in the business of selling  
82 motor fuel.

83 (b) Subsections (2) and (3) do not apply to:

84 1. An automobile dealer;

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1

85        2. A person who operates a fleet of motor vehicles; or

86        3. A person who sells motor fuel exclusively to a fleet of  
87 motor vehicles.

88        (5) If any provision of this section or its application to  
89 any person or circumstance is held invalid, the invalidity does  
90 not affect other provisions or applications of the section which  
91 can be given effect without the invalid provision or  
92 application, and to this end the provisions of this section are  
93 declared severable.

94        (6) Notwithstanding any other law or local ordinance, to  
95 ensure an appropriate emergency management response to major  
96 disasters in the state, the regulation of and requirements for  
97 the siting and placement of an alternate power source and any  
98 related equipment at motor fuel terminal facilities,  
99 wholesalers, and retail sales outlets shall be exclusively  
100 controlled by the state.

101        Section 2. Paragraph (i) of subsection (2) of section  
102 252.35, Florida Statutes, is amended, paragraphs (j) through (v)  
103 are renumbered as paragraphs (k) through (w), respectively, and  
104 a new paragraph (j) is added to that subsection, to read:

105        252.35 Emergency management powers; Division of Emergency  
106 Management.--

107        (2) The division is responsible for carrying out the  
108 provisions of ss. 252.31-252.90. In performing its duties under  
109 ss. 252.31-252.90, the division shall:

110        (i) Institute statewide public awareness programs. This  
111 shall include an intensive public educational campaign on  
112 emergency preparedness issues, including, but not limited to,  
113 the personal responsibility of individual citizens to be self-  
114 sufficient for up to 72 hours following a natural or manmade  
115 disaster. The public educational campaign shall include relevant

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1

information on statewide disaster plans, evacuation routes, fuel suppliers, and shelters. All educational materials must be available in alternative formats and mediums to ensure that they are available to persons with disabilities.

(j) The Division of Emergency Management and the Department of Education shall coordinate with the Agency For Persons with Disabilities to provide an educational outreach program on disaster preparedness and readiness to individuals who have limited English skills and identify persons who are in need of assistance but are not defined under special-needs criteria.

Section 3. This act shall take effect July 1, 2006.

===== T I T L E A M E N D M E N T =====

Remove the entire title and insert:

creating s. 526.143, F.S.; providing that each motor fuel terminal facility and wholesaler that sells motor fuel in the state must be capable of operating its distribution loading racks using an alternate power source for a specified period by a certain date; providing requirements with respect to the operation of such equipment following a major disaster; providing requirements with respect to inspection of such equipment; requiring newly constructed or substantially renovated motor fuel retail outlets to be capable of operation using an alternate power source; defining "substantially renovated"; requiring certain motor fuel retail outlets to have a generator; providing inspection requirements; requiring certain motor fuel retail outlets to be capable of operation using an alternate power source by a specified date; requiring

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1

147 certain motor fuel retail outlet owners to have a  
148 generator on hand; providing inspection and recordkeeping  
149 requirements; providing applicability; providing  
150 severability; providing for preemption to the state of the  
151 regulation of and requirements for siting and placement of  
152 an alternate power source and any related equipment at  
153 motor fuel terminal facilities, wholesalers, and retail  
154 sales outlets; amending s. 252.35, F.S.; expanding the  
155 duty of the Division of Emergency Management to conduct a  
156 public educational campaign on emergency preparedness  
157 issues; providing an additional duty of the division with  
158 respect to educational outreach concerning disaster  
159 preparedness; providing an effective date.

ADOPTED AS AMENDED	— (Y/N)
ADOPTED W/O OBJECTION	<u>— (Y/N)</u>
FAILED TO ADOPT	— (Y/N)
WITHDRAWN	— (Y/N)
OTHER	—

Committee hearing bill: **Agriculture**

Representative **Pickens** offered the following:

**Amendment**

Remove lines 134-198 and insert:

(5) AMENDMENT TO LOCAL GOVERNMENT COMPREHENSIVE PLAN.—The owner of a parcel of land defined as an agricultural enclave under s. 163.3164(33) may apply for an amendment to the local government comprehensive plan pursuant to s. 163.3187. Such amendment is not subject to rule 9J-5.006(5), Florida Administrative Code, and may include land uses and intensities of use that are consistent with the uses and intensities of use of the industrial, commercial, or residential areas that surround the parcel.

(a) The local government and the owner of a parcel of land that is the subject of an application for an amendment under this paragraph shall have 180 days following the date that the local government receives an application to negotiate in good faith to reach consensus on the land uses and intensities of use that are consistent with the uses and intensities of use of the industrial, commercial, or residential areas that surround the

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1

22 parcel. Within 30 days after the local government's receipt of  
23 such an application, the local government and owner must agree  
24 in writing to a schedule for information submittal, public  
25 hearings, negotiations, and final action on the amendment, which  
26 schedule may thereafter be altered only with the written consent  
27 of the local government and the owner. Compliance with the  
28 schedule in the written agreement constitutes good-faith  
29 negotiations for purposes of subparagraph (c).

30 (b) Upon conclusion of good-faith negotiations under  
31 subparagraph (a), regardless of whether the local government and  
32 owner reach consensus on the land uses and intensities of use  
33 that are consistent with the uses and intensities of use of the  
34 industrial, commercial, or residential areas that surround the  
35 parcel, the amendment must be transmitted to the state land  
36 planning agency for review pursuant to s. 163.3184. If the  
37 local government fails to transmit the amendment within 180 days  
38 after receipt of an application, the amendment must be  
39 immediately transferred to the state land planning agency for  
40 such review at the first available transmittal cycle. The state  
41 land planning agency may not use any provision of rule 9J-  
42 5.006(5), Florida Administrative Code, as a factor in  
43 determining compliance of an amendment under this paragraph.

44 (c) If the owner fails to negotiate in good faith, rule 9J-  
45 5.006(5), Florida Administrative Code, shall apply throughout  
46 the negotiation and amendment process under this paragraph.

47 (d) Nothing within this subsection relating to agricultural  
48 enclaves shall preempt or replace any protection currently  
49 existing for any property located within the boundaries of the  
50 following areas:
